## **SENSITIVE DISCOVERY RECEIVED/EXPECTED**

Original deadline of December, 2009 moved to January 14, 2010; moved again to February 12, 2010.

- (A) 1<sup>st</sup> “sensitive” production (provided on December 15, 2009):
  - disk A

The recordings on the CD are organized into 7 folders labeled with the number of the phone line that was being monitored and 2 other folders with recorded conversations. There are a total **538** conversations recorded on the CD. We are not sure what the total length of the CD is, but out of the 30 conversations reviewed there were a few ten minute conversations and one 45 conversation.  
-No identifiers other than telephone/cell numbers for audio and user of phone.
- (B) 2<sup>nd</sup> “sensitive” production (provided on January 12, 2010):
  - disk “B”

The recordings on the CD are organized into “2 disks” (disk 1 & disk 2); “disk1” has 6 folders, with 88 files; “disk 2” has 3 folders, with 175 files. It appears there are a total of 263 conversations recorded on the CD. We are not sure what the total length of the CD’s
